GENERAL OVERVIEW

At Donut Square, we supply the highest quality donut mix, donut machines, accessories and more to our customers across the UK & around the world.

With over **17 years experience** in the donut making business, we understand what our customers really need in order to make the **best tasting, most appetising donuts** possible.

Our machines have been **developed & perfected** over the last decade to ensure that you get the very best possible donut making experience, all for a **competitive & inclusive pricing** structure. Our donut mix is a **unique blend** of British flour and natural ingredients, producing the **best tasting donuts for an incredible price**.

ADDITIONAL PRODUCTS

Alongside our machines & donut mix, we also supply our customers with a wide range of accessories **perfectly suited** to making the best donuts possible.

Included in our accessories & tools are: **batter mixers, donut making utensils, decoration tools, sprinkles & other toppings, packaging & display stands, donut carts, measuring containers, exclusive oil filtration units, specially-designed cleaning products, home donut kits** & we even offer **comprehensive training.**

CLEANING AGENT NUMBER 1 & 2

Our **specially formulated** cleaning agents will return any donut making operation to **brand new.**

LONG LIFE DONUT MIX

The incredible **taste, texture** & **shelf life** of our **Long Life Donut Mix** comes down to our **unique formula** developed over 12 years. There's no wonder why this is our most popular product.

The advantages of our **Long Life Donut Mix** are:

- **Mix Today, Use Tomorrow** - our mix lasts days after mixing when refrigerated
- **No 'gas-off' In Hopper** - our mix is specially designed to last hours in the hopper without losing quality or 'gassing-off'
- **Long Life** - our mix lasts up to 12 months from manufacture in a cool, dry place
- **All Natural** - our mix is a blend of 100% natural ingredients with no artificial flavours, no artificial colours, no preservatives, no trans fats
- **Excellent Taste** - our mix is our best-selling product primarily because it simply tastes the best - thanks to the high-quality British flour & all natural ingredients

STANDARD PRICING:

£44.25 *per* **25kg** *sack*

Bulk Pricing Is Available,
